FAVORITE LOSERS

BY BAD START

Gets Tangled at Barrier and Finishes Second in Rich Stake.

SAN FRANCISCO, March 9.—The Union Stakes for two-year-olds, the feature at Oakland today, proved unsatisfactory from a racing standpoint. The best horse finished second. Firestone, President Williams' \$10,000 son of Fresno, went to the post a top heavy favorite and should have won easily. He was all tangled up at the start and at the first call was fourteen lengths behind the leader.

In a furious stretch drive Firestone passed all but Boas, one of the Keene entries, and was only beaten a head by him. Smiley Corbett, a new one of the Hildreth stable, showed remarkable speed and looked to be winning, when he bolted across the track at the paddock. The winner was 17 to 5, coupled with Bacontour, which finished third.

The Starlight Handicap, at a mile and a quarter, was won by Edwin Gum, Dr. Leggo, the 4-to-5 choice, stood a hard stretch drive, but did not have the speed.

Three favorites, two second choices, and one outsider, Edwin Gum, were successful. The mile and a half event was taken by Graphite, followed by stable connection from 6 to 5 down to 9 to 10. Hildreth sprung a new one in Security in the five furlong event. Heavily played, the gelding beat Sir Edward easily.

WENRICK IS BEATEN BADLY BY SHERMAN

Ex-Champion Leads All the Way and Is Winner by Score of 125 to 79.

In a very one-sided match and before a large gathering at the National Hotel billiard rooms, Frank Sherman, ex-champion of the world, defeated William Wenrick in the great Southern pool handicap by 125 to 79.

The ex-champion took the lead at the start, and not once was Wenrick close to the winner.

The match was featureless. Mr. Wenrick failed to make good his boast that he was a match for Sherman, and needed no handicap.

U. second, Regnard, M. A. C. Time, 6:15.

Semi-final; one man to qualify—Hamilton, C. H. S. Time, 6:25 seconds.

COSTER COLGATE'S CAPTAIN.

HAMILTON, N. Y., March 9.—The Colgate basketball team today unanimously elected Herbert S. Coster, '06, of Flushing, N. Y., captain for next year.

OUTLOOK IS BRIGHT FOR D. C. N. G. MEET

From the large list of entries already received by the management of the National Guard Athletic Meet to date, it looks like this year's carnival of sport would come close to breaking all records for previous meets held under the same auspices.

All the local high schools have been invited to enter, and have given assurances of entering. Many followers of the indoor meets in Washington would like to see the George Washington and Georgetown relay teams get together, and this is the hope of the management, as such an attraction would help to make the meet a decided success.

There are to be eighteen events for members of the National Guard alone, and the remainder will be open relays, for outside schools, clubs, and colleges.

Much interest is manifested in the company and battalion relays, and the wall scaling event, in the obstacle and litter-bearing races, the management hopes to arrange a match with the 10th Regiment, of Baltimore, the Washington men being picked from among the First and Second regiments.

The eighteenth event is the open relay carnival, in which the following teams have been invited to participate: Central, Eastern, Business, Technical, and Western High Schools, Georgetown Prep, Episcopal High School, Washington School for Boys, Baltimore City College, Boys' Latin School, Country School for Boys, Preston School, Baltimore Polytechnic, Marston School, Milton Academy, Woodberry Forest School, Emerson Institute, University of the Friends School, Elmore, Ingdale, Belmonts, Arkansas, Curley, Tremonts, and others.

Hess' Curve Kills Mule.

HOT SPRINGS, Ark., March 9.—A dead mule, with a great dent in its ribs, was found on the ball park this morning, and the chief of police started out to look for the "murderer."

It developed later that the mule ran in front of one of Otto Hess' inshoots, and was killed instantly.

Bill Bernhardt is a somewhat severe taskmaster. He routs the boys out at 7 every morning; has them on the ball park at 9:30; leads them back to the hotel for lunch at 11:30; and for a mountain climb in the afternoon.

The Cleveland pitchers are developing rapidly here.

GETTING LOST ON MONT BLANC.

Lossing one's self on Mont Blanc will soon be counted among the vanished industries. In recent years a number of fine refuges have been built in various parts of the mountain by the Alpine clubs of England, France and other countries and by private individuals.

These have made it almost impossible for a man having a knowledge of the average size of a mountain of heavy mists and blinding snowstorms caused by sudden change of temperature.

Great Record By Krauss In the District League

Saengerbund Crack Has Outdistanced All Rivals and Is Now Leading With An Average of 201 for 66 Games. Florists Take a Brace.

During the past two weeks Harry Krauss broke another District bowling record.

Never before in the history of the game has a bowler in any league finished the season with an average of over 200, or anywhere near it, nor has that mark been reached during the season after it had well advanced. Krauss, the Saengerbund crack, long in the 190's, has gradually pulled his average up with each succeeding week, until he now has for sixty-six games the remarkable average of over 201 pins per game.

Only sixty-games are shown in the following figures, two of the Saenger's matches being received too late to be included, but Krauss averaged well over 200 for the six games. This average is more notable in that it has been accomplished by bowling on many different alleys of clubs in the District League.

RESERVES LEADING PRINTERS' LEAGUE

Long Increases Hold on First Individual Honors by Consistent Work.

During the past three weeks the Reserves have increased their lead for the pennant. The Cowboys and Moroccos are having a battle royal for the place.

Long has passed William for the greatest number of strikes and Conroy still leads in spares. Larambouse still has high game and set. The following is a correct standing including last Friday's game:
